

## *Regulatory Advisory September 2013*

### **ENFORCEMENT OF THE IN-USE OFF-ROAD VEHICLE REGULATION**

On September 13, 2013 the U.S. Environmental Protection Agency (U.S. EPA) granted authorization to the California Air Resources Board (ARB) to enforce all provisions of the In-Use Off-Road Diesel Vehicle Regulation (Off-Road Regulation). The Off-Road Regulation was originally approved by the Board in May 2007, and amended in January 2009, July 2009, and December 2010.

#### **Emissions Performance Requirements**

ARB will begin to enforce the emissions performance requirements for large fleets on July 1, 2014 and then annually each January 1 thereafter. The emission performance and compliance dates for medium and small fleets will be enforced upon the effective dates as shown below:

- January 1, 2017, for medium fleets
- January 1, 2019, for small fleets

A list of ARB-verified exhaust retrofits for off-road vehicles is available at <http://www.arb.ca.gov/msprog/ordiesel/vdecs.htm>
